## **Class –Nursery**

### **Planner for the month of September 2018**

#### **Value of the Month: Tolerance**

**Dear Parent,**

Hearty greetings! "Grandparents always have their door open when you are in need of hug". Being a Grandparent is a unique role in life and should be celebrated, so we ought to create an ambience for the same. Children will learn to create a strong bond with their Grandparents to keep this connection alive. As the love and affection Grandparents shower on their Grandchildren is simply unmatched.

Delhi Public World School has planned to incorporate a curriculum in September 2018 to ensure students have the best education for the future. The new program allows students to gain the skills that will make them successful.

This curriculum gives students and teachers the opportunity to create a learning plan that works for each student's learning style. Keeping parents and guardians in mind the new curriculum will allow for parent/ guardian involvement with parent's teacher consults.

#### **Curriculum details- EYFS**

The curriculum is based on the UK Early Years Foundation Stage (EYFS) Framework. The EYFS includes our Toddler Classes, Nursery Classes and Kindergarten Classes. The Curriculum is designed to encourage learning outcomes that focus on nurturing children to develop holistically, morally, aesthetically and globally including knowledge acquisition and academic skills. Based on the EYFS curriculum these learning outcomes are divided into the following and in-depth assessments are done at each age-stage on every area of learning.

Following are the 7 areas of learning and development used to plan the child's learning and activities.
