

DELHI WORLD PUBLIC SCHOOL, NOIDA EXTENSION

Class: III to IX

C.No. dwps/43/18-19

13th Dec'18

“Pure mathematics is, in its way, the poetry of logical ideas.”

---Albert Einstein

Dear parent

Warm greetings!

National Mathematics day celebration: **22nd December.**

It is a day which is celebrated as **Ramanujan day** all over India.

‘Mathematics’ makes our life orderly and prevents chaos. Certain qualities that are nurtured by mathematics are power of reasoning, creativity, abstract thinking, critical thinking, problem-solving ability and even effective communication skills.

Here, in Delhi World Public School, Noida Extension, every effort is made to create students’ interest in mathematics. The plan for the week is enlisted for each department having chosen age appropriate activities which will leave an imprint on the impressionable minds of the students.

Day/Date	Primary (III –IV)	Middle (V – IX)
Monday, 17.12.18	‘Power point presentation’ on Evolution of Mathematics	Logical reasoning worksheet (Class Activity) (V – VIII)
Tuesday, 18.12.18	Mathematical Tambola	Logical reasoning (Class Activity) (IX)
Wednesday, 19.12.18	Quiz (Class Activity)	‘Power point presentations’ and documentary on Ramanujan By Maths club
Thursday, 20.12.18	Movie	Mathematical Tambola
Friday, 21.12.18	Special assembly (Skit presentation and dance related to mathematics)	Mathematician’s Role play

Looking forward to the week ahead with fun and learning happening simultaneously.

Warm regards

Ms. Jyoti Arora
Principal
