Warm greetings!

At DWPS, we promote intercultural understanding and respect for diversity as an essential part of life in the 21<sup>st</sup> century.

To inculcate the spirit of international coexistence, we celebrate the **International Education Week as an annual feature** in the month of July. The weeklong celebration comprises of a plethora of activities for students like Collage making, Poster making, PPT presentation etc. The **mega event culminates with 'Global Waves' – a Carnival** in which the students showcase their learning in the form of exhibition of artefacts and cultural extravaganza.

It gives us immense pleasure in **solemnly extending a warm invitation to the culmination of this great event - 'GLOBAL WAVES' – a Carnival, being organised in the school on 20<sup>th</sup> July'19** to foster a sense of belongingness, respect and responsibility among the global citizens of the future. Many dignified representatives and luminaries from the embassies of China, Korea, Thailand, Spain and Egypt will witness the event and lend a special charm to it.
