'From deep within, our spirits are calling for a new and greater global wholeness, global healing and global opportunity – the voice is ours, the time is now, and the resources are what we have.'

Dear parents

Warm Greetings!

It has long been the **age of globalisation** and we are undoubtedly living in an interconnected world. We at **Delhi World Public School, Noida Extension** concentrate in introducing our students to various experiences and cultures of and from different nations and the **International Education Week** is nothing but a testimony to that effort. The prime focus is always towards **creating global citizens** who can understand and **appreciate international amalgamation**.

The **week - long event for classes III to IX will culminate in a Carnival – an exhibition and cultural extravaganza, showcasing the culture of the adopted countries**. A glimpse of the activities to be held during the week is as mentioned below:
