

DELHI WORLD PUBLIC SCHOOL, NOIDA EXTENSION

CIRCULAR

Dear all

As per directives received from the Directorate of School Education, all the schools run under the different Boards are expected to comply to the following points approved and compiled during a Road Safety Council Meeting, presided over by the Chief Minister.

The Director of Education, during the Road Safety Council Meeting held at Lucknow on 09.10.2020, has issued directives to the Secondary School Education Department to initiate action on the following guidelines:

1. Principals of various schools to prohibit the arrival of students on two wheelers without helmet.
2. Parents/ guardians who come to drop small children should themselves wear helmets and compulsorily ensure that the kids too wear helmets.
3. A Meeting will be attended by all the Principals and Heads of Institutions, conducted by the District School Supervisor in the presence of the concerned Transport Officer.
4. Principals of the schools have been instructed to create awareness regarding the significance of wearing the Seat belt and Helmet while addressing the students during assemblies.
5. Posters and Artwork prepared by the students to be put up at strategic places in the school premises for spreading awareness.

The above-mentioned points which have been compiled during a meeting presided over by the Chief Minister, are to be firmly implemented by all the educational institutions with immediate effect.

Thanks and regards
