

DELHI WORLD PUBLIC SCHOOL, NOIDA EXTENSION

I – X

C.No. dwps/02/19-20

2nd April '19

'Success is where preparation and opportunity meet.'

Dear parent

Greetings from the DWPS team!

The integration of work and study is the key element in Delhi World Public School. All the students are provided opportunities to gain practical experience in the course of their academic session. Club activities, in fact, supplement academics and provide the students practical training which they require in their day to day life. The Club activities are planned in a way that the students display their latent talent.

Membership of School Clubs:

The list of clubs is as given below:

1. **Community Connect:** It is the philanthropic vision and mission of the school, an initiative under which the school, with its entire staff and students, embrace the responsibility towards the lesser privileged section of the society.
2. **Expressions (Public Speaking & Creative Writing):** Expressions form the basis of communicating thoughts and ideas. The club, through its activities, will try to create self-confident, aware and responsible individuals who will steer their way ahead by forcefully voicing their own opinion.
3. **Inquizitive (Quiz Club):** The aim of this club is to create socially, politically and globally aware students. Quizzes of various kinds will broaden the horizon and pave the way for them to be world leaders by building global awareness and raising the level of responsibility of the students.
4. **MUN Club:** Model UN or the MUN Club will focus on activities in which students will typically role play delegates to the United Nations and simulate UN committees. Students will enhance their capabilities and be encouraged to improve their communication and diplomatic skills.
5. **Tech Wiz (Computer Club):** It is a wise and wonderful club to make students become technology leaders. The club activities aim towards creating web leaders who can compete in the technology driven world in future.
6. **VIPNET (Science Club):** The prime aim of this club is to disseminate information on Science and Technology. The club activities are so designed that it will help arouse curiosity and creativity and foster a scientific temperament in the students.
7. **Number Ninjas (Maths Club):** It is an interesting and intriguing club which will sharpen the analytical skills of the students. It will teach children amazing ways of solving Math problems by using innovative ways.

8. **Honing Creative Skills Club:** The club proposes to hone the creative skills of the students by taking up various activities like Best out of Waste, Cook without Fire, Flower Arrangement, etc. The adequate opportunities provided by the club will bring the creativity of the students to the fore, thereby acquiring confidence and recognition.

9. **Eco Club/Guards of the Environment Club:** The club will play an important role in creating environmental awareness amongst the future generation. It will teach students to be sensitive towards environmental concerns and become powerful advocates for the conservation of natural resources and limiting waste.

Anticipating an overwhelming response as ever.

Warm regards

Ms. Jyoti Arora

Principal
