

DELHI WORLD PUBLIC SCHOOL

VI-X

C.No. dwps/05/19-20

5th April 2019

Dear Parent,

The school is beginning with a new *Robotics Program* in collaboration with ENTECRES Labs. The program implements the **Robots Application** already popular in **more than 120 nations**. The program has been designed to generate a scientific acumen in the students by combining various techniques.

Program Details:

Duration of the program: 15 sessions

Eligibility for the program: Class 6th to 8th

Program Schedule: Classes will be held weekly in school during the school hours.

Cost of the Program: INR 1,600

Program description

1. To understand about the shapes, structure and joints benefits.
2. To make different type of robots with gear and pulley mechanism.
3. Use of different types of sensors.
4. Children will build 10 different models throughout the program.
5. Two STEM kits will be provided to students during program.

Warm Regards

Ms. Jyoti Arora
Principal
